

# Over-the-Counter (OTC) Drug Benefit

Pay nothing, or only your plan's cost sharing,  
for many routine OTC drugs with a prescription

We made it easy to take advantage of this special savings opportunity. Using your OTC benefit is easy:

- Get a prescription for any of the products below (for a supply of up to 90 days for select drugs) from your provider
- Bring your prescription to any in-network pharmacy
- Your pharmacist will make sure you get the right product and price

Please note that quantity limits apply and generic products will be prescribed when available. If you have questions, you can always log in to [allwaysmember.org](http://allwaysmember.org). There you'll find more information and any updates to this list of covered OTC medications.
